All taxes (including interest and penalties) due with respect to the income earned on the monies in the Trust Account shall be paid from the Trust Account.
- (3) The Settling Defendants shall have no responsibility to make any filings relating to the Trust Account and will have no responsibility to pay tax on any income earned by the

monies in the Trust Account or pay any taxes on the monies in the Trust Account, unless this Settlement Agreement is not approved, is terminated or otherwise fails to take effect, in which case the interest earned on the Settlement Amount in the Trust Account shall be paid to the Settling Defendants who, in such case, shall be responsible for the payment of all taxes on such interest not previously paid by Ontario Counsel or its duly appointed agent.

SECTION 4 COOPERATION

4.1 Extent of Cooperation

- (1) Within forty five (45) days of the Effective Date, or at a time mutually agreed upon by the Parties acting reasonably (which may, if and only if the Parties agree, take place before the Effective Date), Settling Defendants shall provide to Class Counsel an oral evidentiary proffer.
 - (a) The oral evidentiary proffer shall be conducted through a meeting between Class Counsel and Counsel for the Settling Defendants, including their U.S. Litigation counsel, during which Counsel for the Settling Defendants will summarize the Settling Defendants' relevant and non-attorney-client privileged information derived from their investigation and factual inquiries in respect of the matters at issue in the Proceedings, including information derived from business records, testimonial transcripts and employee or witness interviews (if applicable).
 - (b) The oral evidentiary proffer shall focus on the subject of the Settling Defendants' specific knowledge and information concerning the conduct of the AVX defendants, including in particular the identification and production to Class Counsel of "key" documents and testimony given in the U.S. Litigation in respect

of the conduct of the AVX defendants. During the proffer, Counsel for the Settling Defendants shall also answer Class Counsel's questions concerning the conduct and involvement of specific Defendants (including the AVX defendants), to the extent known, in the alleged conspiracy.

- (c) The oral evidentiary proffer shall be conducted virtually through a secure virtual meeting platform. The oral evidentiary proffer may last up to five hours.
- (d) Notwithstanding any other provision of this Settlement Agreement, and for greater certainty, it is agreed that all statements made and information provided by Counsel for the Settling Defendants as part of the oral evidentiary proffer shall comply with the applicable protective orders in the U.S. Litigation.
- (e) In the event that the evidentiary proffer takes place before the Effective Date, which shall only occur pursuant to a subsequent agreement of the Parties, the following additional terms shall apply:
 - (i) any Documents or information provided in the course of that evidentiary proffer shall be subject to the terms and protections of this Settlement Agreement; and
 - (ii) In the event that this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, the Documents and information provided during the evidentiary proffer shall not be used by the Plaintiffs or Class Counsel, whether directly or indirectly, in any way for any reason, including, without limitation, against the Settling Defendants as an admission or evidence of any violation of any statute or law, or of any liability or wrongdoing by the Settling Defendants or of the truth of any claims or allegations in the Proceedings, and such information shall not be

discoverable by any Person or treated as evidence of any kind, unless otherwise ordered by a court. In order to give effect to this agreement, Class Counsel agrees to make reasonable efforts to return all copies of any Documents received during, and destroy all copies of any notes taken during (or subsequent reports provided about), the evidentiary proffer and to provide written confirmation to the Settling Defendants of having done so.

- (2) Within sixty (60) days after the Effective Date, or at a time mutually agreed upon by the Parties acting reasonably, the Settling Defendants shall provide to Class Counsel:
- (a) copies of all Documents produced by the Settling Defendants in the U.S. Litigation, including transaction data, all to be provided in electronic form. U.S. Litigation Documents will, to the extent possible, be produced with the same document numbers utilized in the U.S. Litigation;
 - (b) if and to the extent such data has not already been provided to Class Counsel by the Settling Defendants, the Settling Defendants' transactional data concerning their Canadian customers of Electrolytic and/or Film Capacitors during the Electrolytic Class Period or the Film Class Period, as applicable. The Settling Defendants agree to provide reasonable assistance to Class Counsel and to answer reasonable questions in respect of the sales and customer data that is produced; and
 - (c) electronic copies of all deposition transcripts and exhibits for depositions given by the Settling Defendants and the Non-Settling Defendants in the U.S. Litigation, to the extent allowed by the applicable protective orders in the U.S. Litigation.

- (3) Counsel for the Settling Defendants shall make themselves available for any reasonable follow-up questions from Class Counsel regarding the oral evidentiary proffer given pursuant to subsection 4.1(1) or the documents produced pursuant to subsection 4.1(2).
- (4) The Settling Defendants agree to provide affidavit evidence to assist the Plaintiffs to authenticate any of the documents produced in accordance with this agreement to the extent the Settling Defendants can establish their authenticity and that the Plaintiffs require their authentication for their admission and use at any point in the Proceedings, including at trial. If required by the Courts, or if required by a defendant to the Québec Action pursuant to article 292 of the Québec Code of Civil Procedure, the Settling Defendants also agree to provide such authentication by live testimony. The parties agree to collaborate to minimize the costs incurred by, and the expenses of, the Settling Defendants in relation to such evidence, including any cost for a translator where necessary, and agree that Class Counsel shall assume these costs.
- (5) Nothing in this Settlement Agreement shall require, or shall be construed to require, the Settling Defendants, or any representative or employee of the Settling Defendants, to disclose or produce any Documents or information that is subject to attorney-client privilege or other similar protections, or to disclose or produce any Documents or information in breach of any order (including the protective order in the U.S. Litigation), non-disclosure or confidentiality obligation, regulatory directive, rule or law of this or any jurisdiction, it being understood and agreed that no order, non-disclosure or confidentiality obligation applies or shall apply to prevent the productions of the Settling Defendants' own documents.
- (6) If any Documents are accidentally or inadvertently disclosed or produced, the Settling Defendants shall so notify Class Counsel and such Documents shall be promptly returned to the Settling Defendants and the Documents and the information contained therein shall

not be disclosed or used, directly or indirectly, except with the express written permission of the Settling Defendants, and the production of such Documents shall in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such Documents.

- (7) The production of the full set of U.S. Litigation documents (4.1(2)(a)) is limited to the material that is in the possession of Counsel for the Settling Defendants, including their U.S. Litigation counsel, which they believe to be complete. Nonetheless, to the extent the Settling Defendants' document productions from the U.S. Litigation is incomplete in any way, the Settling Defendants consent to the Plaintiffs obtaining such productions from U.S. plaintiffs' counsel or from any other person or party who possesses them, at Class Counsel's expense.
- (8) The obligations of Settling Defendants to cooperate as particularized in this subsection 4.1 shall not be affected by the release provisions contained in Section 7 of this Settlement Agreement. The obligations of the Settling Defendants to cooperate shall cease at the date of final judgment in the Proceedings as against all Defendants. For greater certainty, the Plaintiffs' failure to strictly enforce any of the deadlines for the Settling Defendants to provide cooperation pursuant to this Section 4.1 is not a waiver of the cooperation rights granted by Section 4.1.
- (9) If the Settling Defendants materially breach this Section 4.1, the Plaintiffs may move before the Courts to enforce the terms of this Settlement Agreement and may exercise any rights they have to seek or obtain testimony, discovery, information or Documents from the Settling Defendants. The Settling Defendants may oppose any such motion.
- (10) Subject to subsection 4.1(8), the provisions set forth in this subsection 4.1 are the exclusive means by which the Plaintiffs and Class Counsel may obtain discovery, information or Documents from the Settling Defendants and other Releasees, and the

Plaintiffs and Class Counsel agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Settling Defendants or other Releasees, whether in Canada or elsewhere and whether under the rules or laws of any Canadian or foreign jurisdiction.

- (11) For greater clarity, the Plaintiffs through this agreement do not waive any rights they may have to seek or obtain cooperation testimony, discovery, information or Documents from those officers, directors and/or employees of the Settling Defendants and other Releasees who, as at the Effective Date, are former officers, directors and/or employees of the Settling Defendants or other Releasees.
- (12) A material factor influencing the Settling Defendants' decision to execute this Settlement Agreement is their desire to limit the burden and expense of this litigation. Accordingly, the Plaintiffs and Class Counsel agree to exercise good faith in seeking cooperation from the Settling Defendants, agree not to seek information that is unnecessary, or duplicative and agree otherwise to avoid imposing undue or unreasonable burdens or expense on the Settling Defendants and other Releasees.
- (13) The Settling Defendants shall make their best efforts to ensure the accuracy of any of the documents or information described in this subsection 4.1, but do not represent that they can or will produce a complete set of any of the documents or information described in this subsection.

4.2 Limits on Use of Documents and Other Information

- (1) It is understood and agreed that all Documents and other information made available or provided by the Settling Defendants to the Plaintiffs under this Settlement Agreement, including the oral evidentiary proffer, shall be used only in connection with the prosecution of the claims in the Proceedings, and shall not be used directly or indirectly for any other

purpose, except to the extent that the Documents or information are publicly available. The Plaintiffs and Class Counsel agree they will not disclose the Documents and information provided by the Settling Defendants except: (i) to experts, consultants or third-party service providers retained by them in connection with the Proceedings who have agreed to comply with the provisions of this Settlement Agreement and any confidentiality orders issued pursuant to subsection 4.2(2); (ii) to the extent that the documents or information are publicly available; (iii) as evidence in the Proceedings; (iv) to counsel for Non-Settling Defendants for the purposes of settlement negotiations, only to be shared on a highly confidential and without-prejudice basis, and with advance notice to Counsel for the Settling Defendants; or (v) as otherwise required by law. Subject to the foregoing, the Plaintiffs and Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of such Documents and information, and of any work product of Class Counsel that discloses such Documents and information, except to the extent that the Documents and information are publicly available.

- (2) If the Plaintiffs intend to produce for discovery or file in the Proceedings any Documents or other information provided by the Settling Defendants as cooperation under the Settlement Agreement, the Plaintiffs shall provide the Settling Defendants with an advance description of the Documents or other information sought to be produced or filed at least thirty (30) days in advance of the proposed production or filing, in order that the Settling Defendants may move to obtain a sealing or confidentiality order or similar relief. If, within the thirty (30) day period, the Settling Defendants do not so move, the Plaintiffs and Class Counsel can produce or file the information or Documents in the ordinary course. If, within that thirty (30) day period, the Settling Defendants so move, the Plaintiffs and Class Counsel shall not oppose the position taken by the Settling Defendants and shall not

disclose the confidential Documents or information until the Settling Defendants' motion has been decided and all applicable appeal periods have expired.

- (3) In the event that a Person applies for an order requiring the Plaintiffs to disclose or produce any Documents or information provided by the Settling Defendants as cooperation under this Settlement Agreement, the Plaintiffs shall notify the Settling Defendants of such application promptly upon becoming aware of it and no later than ten (10) days after disclosure or production is sought, in order that the Settling Defendants may move to oppose such disclosure or production. In no circumstances shall the Plaintiffs or Class Counsel apply for or consent to such an application for disclosure or production. The Plaintiffs and Class Counsel shall not disclose the confidential information or Documents until the Settling Defendants' motion has been decided and a final order has been issued requiring the Plaintiffs and/or Class Counsel to produce the relevant information or Documents.

11. **THIS COURT ORDERS** that if the Settlement Agreement is not approved, is terminated in accordance with its terms or otherwise fails to take effect for any reason, paragraphs 1 to 6 and 8 to 11 of this Order, including certification for settlement purposes, shall be deemed to have been set aside and declared null and void and of no force or effect, without the need for any further Order of this Court. In those circumstances, a case management conference shall be convened to seek directions, including in respect of the need for and form and content of additional notice to Ontario Film Settlement Class Members.
12. **THIS COURT ORDERS** that this order is contingent upon parallel notice approval and certification/authorization orders being made by this Court in the Ontario Electrolytic Action, the BC Court in the BC Action, and the Québec Court in the Quebec Action, and the terms of this Order shall not be effective unless and until such orders are made in the Ontario Electrolytic Action, the BC Action and the Quebec Action.

PROCEEDING UNDER THE *CLASS PROCEEDINGS ACT, 1992*, S.O. 1992, c. 6

ORDER

(Electrolytic Capacitors - Settlement Approval – KEMET Settlement)

THIS MOTION made by the Plaintiffs for an Order approving the settlement agreement entered into with KEMET Corporation and KEMET Electronics Corporation (the "Settling Defendants") and dismissing this action as against the Settling Defendants, was heard this day at the Court House, 80 Dundas Street, London, Ontario.

AND ON READING the materials filed, including the settlement agreement dated ●, 2023 attached to this Order as Schedule "A" (the "Settlement Agreement"), and on hearing the

submissions of counsel for the Plaintiffs, Counsel for the Settling Defendants and counsel for the Non-Settling Electrolytic Defendants in the Ontario Electrolytic Action;

AND ON BEING ADVISED that the deadline for objecting to the Settlement Agreement has passed and there have been no objections to the Settlement Agreement;

AND ON BEING ADVISED that the Plaintiffs and the Settling Defendants consent to this Order and that the Non-Settling Electrolytic Defendants take no position on this motion:

1. **THIS COURT ORDERS** that, for the purposes of this Order, except to the extent that they are modified in this Order, the definitions set out in the Settlement Agreement apply to and are incorporated into this Order.
2. **THIS COURT ORDERS** that, in the event of a conflict between this Order and the Settlement Agreement, this Order shall prevail.
3. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Ontario Electrolytic Settlement Class.
4. **THIS COURT ORDERS** that the Settlement Agreement is hereby approved pursuant to section 29 of the *Class Proceedings Act, 1992* and shall be implemented and enforced in accordance with its terms.
5. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon each member of the Ontario Electrolytic Settlement Class including those Persons who are minors or mentally incapable and the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure* are dispensed with in respect of the Ontario Electrolytic Action.
6. **THIS COURT ORDERS** that upon the Effective Date, each Ontario Electrolytic Settlement Class Member who has not validly opted-out of this action shall be deemed to have

irrevocably consented to the dismissal of any Other Actions as against the Settling Defendants and the Releasees, without costs, with prejudice and without reservation.

7. **THIS COURT ORDERS** that upon the Effective Date, each Other Action commenced in Ontario by any Ontario Electrolytic Settlement Class Member who has not validly opted-out of this action shall be and is hereby dismissed in respect of Released Electrolytic Claims against the Settling Defendants and the Releasees, without costs, with prejudice and without reservation.
8. **THIS COURT ORDERS** that, upon the Effective Date, subject to paragraphs 10 and 11, each Electrolytic Releasor who has not validly opted-out of this action has released and shall be conclusively deemed to have forever and absolutely released the Releasees from the Released Electrolytic Claims.
9. **THIS COURT ORDERS** that, upon the Effective Date, each Electrolytic Releasor who has not validly opted-out of this action, as well as Class Counsel, shall not now or hereafter institute, continue, intervene in, provide assistance for, maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any proceeding, action, suit, cause of action, claim or demand against any Releasee, or any other Person who may claim contribution or indemnity or other claims over relief from any Releasee, in respect of any Released Electrolytic Claims, except for the continuation of the Proceedings against the Non-Settling Electrolytic Defendants or unnamed co-conspirators that are not Releasees or, if the Proceedings are not certified, the continuation of the claims asserted in the Proceedings on an individual basis or otherwise against any Non-Settling Electrolytic Defendants or unnamed co-conspirator that is not a Releasee. For the purposes of this paragraph 9, Class Counsel includes anyone currently or hereafter employed by or a partner with Class Counsel.

10. **THIS COURT ORDERS** that the use of the terms “Electrolytic Releasers” and “Released Electrolytic Claims” in this Order does not constitute a release of claims by those members of the Ontario Electrolytic Settlement Class who are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.
11. **THIS COURT ORDERS** that, upon the Effective Date, each member of the Ontario Electrolytic Settlement Class who is resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors covenants and undertakes not to make any claim in any way or to threaten, commence, participate in or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Electrolytic Claims.
12. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs relating to the Released Electrolytic Claims, which were or could have been brought in the Electrolytic Proceedings or any Other Actions, or otherwise, or could in the future be brought on the basis of the same events, actions and omissions underlying the Electrolytic Proceedings or any Other Actions, by any Non-Settling Electrolytic Defendants, any named or unnamed alleged co-conspirator that is not a Releasee, any Settled Electrolytic Defendant, or any other Person or party against a Releasee, or by a Releasee against any Non-Settling Electrolytic Defendants, any named or unnamed alleged co-conspirator that is not a Releasee, any Settled Electrolytic Defendant, or any other Person or party, are barred, prohibited and enjoined in accordance with the terms of this paragraph (unless such claim is made in respect of a claim by a Person who has validly opted-out of the Proceedings);

13. **THIS COURT ORDERS** that if this Court ultimately determines that there is a right of contribution and indemnity or other claim over, whether in equity or in law, by statute or otherwise:
- a. the Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class Members shall not be entitled to claim or recover from the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigative costs claimed pursuant to section 36 of the *Competition Act*) that corresponds to the Proportionate Liability of the Releasees proven at trial or otherwise;
 - b. the Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class Members shall limit their claims against the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to include, and shall only seek to recover from the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, only such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*), attributable to the aggregate of the several liability of the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to the Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class Members, if any, and, for greater certainty, the Ontario Electrolytic Settlement Class Members shall be entitled to seek to recover such damages

(including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) on a joint and several basis as between the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, if permitted by law; and

- c. this Court shall have full authority to determine the Proportionate Liability of the Releasees at the trial or other disposition of the Ontario Electrolytic Action, whether or not the Settling Defendants remain in the Ontario Electrolytic Action or appear at the trial or other disposition, and the Proportionate Liability of the Releasees shall be determined as if the Releasees are parties to the Ontario Electrolytic Action and any determination by this Court in respect of the Proportionate Liability of the Releasees shall only apply in the Ontario Electrolytic Action and shall not be binding on the Releasees in any other proceeding.

14. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which the Non-Settling Electrolytic Defendants may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) or judgment against them in favour of members of the Ontario Electrolytic Settlement Class in the Ontario Electrolytic Action or the rights of Ontario Electrolytic Plaintiffs and Ontario Electrolytic Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.

15. **THIS COURT ORDERS** that, subject always to the direction of the trial judge, a Non-Settling Electrolytic Defendant may, on motion to this Court determined as if the Settling Defendants remained parties to this action, brought on at least ten (10) days' notice to

Counsel for the Settling Defendants and not to be brought until the Ontario Electrolytic Action against the Non-Settling Electrolytic Defendants has been certified as a class proceeding (but not including any certification for settlement purposes), seek orders for the following:

- a. documentary discovery and affidavit(s) of documents from the Settling Defendants in accordance with the Ontario *Rules of Civil Procedure*;
 - b. oral discovery of representative(s) of the Settling Defendants, the transcript(s) of which may be read in at trial;
 - c. leave to serve request(s) to admit on the Settling Defendants in respect of factual matters; and/or
 - d. the production of representative(s) of the Settling Defendants to testify at trial, with such witness(es) to be subject to cross-examination by counsel for the Non-Settling Electrolytic Defendants.
16. **THIS COURT ORDERS** that the Settling Defendants retain all rights to oppose such motion(s) brought under paragraph 15. Moreover, nothing herein restricts the Settling Defendants from seeking a protective order to maintain confidentiality and protection of proprietary information in respect of Documents to be produced and/or for information obtained from discovery in accordance with paragraph 15. Notwithstanding any provision in this order, on any motion brought pursuant to paragraph 15, this Court may make such orders as to costs and other terms as it considers appropriate.
17. **THIS COURT ORDERS** that a Non-Settling Electrolytic Defendant may serve the motion(s) referred to in paragraph 15 above on the Settling Defendants by service on Counsel for the Settling Defendants in the Ontario Electrolytic Action.

18. **THIS COURT ORDERS** that for purposes of implementation, administration, interpretation and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering, interpreting and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.
19. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any Releasor has or may have against the Non-Settling Electrolytic Defendants or named or unnamed alleged co-conspirators who are not Releasees.
20. **THIS COURT ORDERS** that no Releasee shall have any responsibility for and no liability whatsoever relating to the administration of the Settlement Agreement or Distribution Protocol(s).
21. **THIS COURT ORDERS** that the Settlement Amount shall be held in the Trust Account by Ontario Counsel or its duly appointed agent for the benefit of Ontario Electrolytic Settlement Class Members, pending further order of this Court on notice to the Defendants. This paragraph shall not be interpreted as affecting the rights of the Plaintiffs or the Settlement Classes to claim such Class Counsel Disbursements in the context of a future costs award in their favour against the Non-Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.
22. **THIS COURT ORDERS** that, upon the Effective Date, the Ontario Electrolytic Action is hereby dismissed as against the Settling Defendants, without costs and with prejudice.
23. **THIS COURT ORDERS** that the approval of the Settlement Agreement is contingent upon parallel orders for approval being made by the BC Court and the Québec Court, and the

terms of this Order shall not be effective unless and until the Settlement Agreement is approved by the BC Court and the Québec Court, and the BC Electrolytic Action has been dismissed with prejudice and without costs and the Québec Action has been declared settled out of court without costs and without reservation as against the Settling Defendants in the relevant proceeding by the Courts. If such orders are not secured in British Columbia and Québec, this Order shall be null and void and without prejudice to the rights of the parties to proceed with the Ontario Electrolytic Action and any agreement between the parties incorporated in this Order shall be deemed in any subsequent proceedings to have been made without prejudice.

24. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms, this Order shall be declared null and void without need for further notice of this Court but with notice to the Ontario Electrolytic Settlement Class.
25. **THIS COURT ORDERS** that this Order, including but not limited to the approval of the Settlement Agreement and any reasons given by the Court in relation thereto, except as to paragraphs 12 to 17 of the Order, is without prejudice to the rights and defences of the Non-Settling Defendants in connection with the ongoing Ontario Electrolytic Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the Ontario Electrolytic Action as against the Non-Settling Defendants.

16. **THIS COURT ORDERS** that the Settling Defendants retain all rights to oppose such motion(s) brought under paragraph 15. Moreover, nothing herein restricts the Settling Defendants from seeking a protective order to maintain confidentiality and protection of proprietary information in respect of Documents to be produced and/or for information obtained from discovery in accordance with paragraph 15. Notwithstanding any provision in this order, on any motion brought pursuant to paragraph 15, this Court may make such orders as to costs and other terms as it considers appropriate.
17. **THIS COURT ORDERS** that a Non-Settling Film Defendant may serve the motion(s) referred to in paragraph 15 above on the Settling Defendants by service on Counsel for the Settling Defendants in the Ontario Film Action.
18. **THIS COURT ORDERS** that for purposes of implementation, administration, interpretation and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the

jurisdiction of this Court solely for the purpose of implementing, administering, interpreting and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.

19. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any Releasor has or may have against the Non-Settling Film Defendants or named or unnamed alleged co-conspirators who are not Releasees.
20. **THIS COURT ORDERS** that no Releasee shall have any responsibility for and no liability whatsoever relating to the administration of the Settlement Agreement or Distribution Protocol(s).
21. **THIS COURT ORDERS** that the Film Settlement Amount shall be held in the Trust Account by Ontario Counsel or its duly appointed agent for the benefit of Ontario Film Settlement Class Members, pending further order of this Court on notice to the Defendants. This paragraph shall not be interpreted as affecting the rights of the Film Plaintiff or the Ontario Film Settlement Classes to claim such Class Counsel Disbursements in the context of a future costs award in their favour against the Non-Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.
22. **THIS COURT ORDERS** that, upon the Effective Date, the Ontario Film Action is hereby dismissed as against the Settling Defendants, without costs and with prejudice.
23. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms, this Order shall be declared null and void without need for further notice of this Court but with notice to the Ontario Film Settlement Class.
24. **THIS COURT ORDERS** that this Order, including but not limited to the approval of the Settlement Agreement and any reasons given by the Court in relation thereto, except as

to paragraphs 12 to 17 of the Order, is without prejudice to the rights and defences of the Non-Settling Film Defendants in connection with the Ontario Film Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted by the Ontario Film Settlement Class as against the Non-Settling Film Defendants.
