DEFINITIONS

5. The definitions set out in the Settlement Agreement apply to and are incorporated in this Distribution Protocol. Where a term is defined in both the Settlement Agreement and the Distribution Protocol, the definition in this Distribution Protocol shall govern.

DISTRIBUTION TO SETTLEMENT CLASS MEMBERS

Amount Available for Distribution

- 7. The Net Settlement Amount will be available to provide settlement benefits to eligible Settlement Class Members pursuant to this Distribution Protocol.

Creation of Payment Funds

- 8. The Net Settlement Amount will be allocated between the different types of claimants as follows:

Claimant Type	Percentage	Amount²
Consumers	50.3%	\$2,900,000
Resellers	49.7%	\$2,850,000

Valuation of Claims

- 9. The Net Settlement Amount allocated to Resellers will be subject to claims-weighting to reflect estimated pass-through rates for Resellers of Rough Diamonds, Polished Diamonds, and Wholesale Jewellery as follows:

² This is an estimate only. The final amount will not be known until the administration is complete and the exact interest earned, taxes payable, and Administration Expenses is known.

Claimant Type	Weighted Percentage
Rough Diamond Resellers	33.8%
Polished Diamond Resellers	28.7%
Wholesale Jewellery Resellers	37.5%

10. For example, a claim made by a Reseller of Rough Diamonds will be calculated as follows: total purchase price of rough diamonds x 0.338 = weighted Gem Grade Diamond Purchase amount.
11. The Net Settlement Amount allocated to Consumers will be distributed to Consumers on a pro rata basis. A Consumer's Gem Grade Diamond Purchase amount will be equal to the retail purchase price of the Diamond Jewellery purchased by the Settlement Class Member during the Class Period, with the exception that pave and non-pave diamond watches will be subject to claims-weighting to reflect the value of their Gem Grade Diamond content.
12. Non-pave watches will be subject to claims-weighting as follows:
 - (a) For watches priced at \$2,600 or above, the Claims Administrator will first either multiply the total carat weight of the diamonds on the watch by \$544.52 and subtract \$24.19, or multiply the number of diamonds on the watch by \$6.57.
 - (b) For watches priced less than \$2,600, the Claims Administrator will multiply the total carats by \$417.73 and subtract \$4.38, or multiply the number of diamonds by \$2.01.
13. Pave watches will be subject to claims-weighting as follows:
 - (a) The Claims Administrator will either multiply the total carats by \$548.99 and subtract \$129.45, or multiply the total number of diamonds by \$3.62.

Pro Rata Distribution

14. Subject to paragraphs 15 to 16, each of the payment funds created pursuant to paragraphs 7 to 13 will be distributed to qualifying Settlement Class Members *pro rata* (or proportionally) based on the value of the qualifying Settlement Class Member's weighted Gem Grade Diamond Purchases as against the value of all qualifying Settlement Class Members' weighted Gem Grade Diamond Purchases who are claiming against the applicable fund.

15. If a claimant's *pro rata* distribution would be less than the Minimum Claim Amount, the claimant's distribution will be increased to the Minimum Claim Amount, and the *pro rata* distribution will be adjusted accordingly.
16. Consumers who make a Claim without documentary proof of purchase of their Gem Grade Diamond Purchases will receive the Minimum Claim Amount.

Class Counsel Discretion

17. Class Counsel reserve the right to seek the approval of the Ontario Court of an amendment of the allocation of the Net Settlement Amount pursuant to paragraph 8 and/or any other provision of this Distribution Protocol in order to ensure a fair and cost effective distribution of the Net Settlement Amount.

THE CLAIMS PROCESS

18. The Claim will require the following information from each type of claimant as specified below:
 - (a) Consumer Claimants

 - (ii) Documentary proof of purchase of his/her/its Gem Grade Diamond Purchases, such as a credit card statement, a bank statement, cancelled cheque, wire transfer confirmations, proof of insurance, or comparable verification that is acceptable to the Claims Administrator.
 - (iii) If the Consumer claimant is unable to provide documentary proof of purchase in accordance with (ii) above, the Consumer claimant can make a Claim without proof of purchase, but such Claims will be limited to the Minimum Claim Amount.
 - (b) Reseller Claimants
 - (i) A declaration of his/her/its Gem Grade Diamond Purchases, broken out by Rough Diamonds, Polished Diamonds, and Diamond Jewellery.

 - (iii) Reseller Claimants who do not have summary documentation or other records of their Gem Grade Diamond Purchases in all years of the Class Period:

- A. may average the dollar volumes of Gem Grade Diamond Purchases in the years for which they do have records or data, and then claim the average annual dollar volume for each year for which no records or data are available;
 - B. where the Reseller Claimant has insufficient documentation to satisfy paragraph 18(b)(iii)(A) the Reseller Claimant will receive the Minimum Claim Amount. The Claims Administrator has the discretion to determine the sufficiency of the documentation or records for averaging.
- (iv) Vertically-integrated Resellers which made purchases of Gem Grade Diamond Products in more than one category must file a separate claim for each category (i.e. Rough Diamonds, Polished Diamonds and Wholesale Jewellery).
19. The Claim will require the following information for all claimants:
- (a) Disclosure as to whether the Settlement Class Member or any entity related to the Settlement Class Member has received compensation through other proceedings or private out-of-class settlements and/or provided a release in respect of any of the Settlement Class Member's purchases, and details of the compensation received and the claims released.
 - (b) Authorization to the Claims Administrator to contact the Settlement Class Member or its representative, as the Claims Administrator deems appropriate for more information and/or to audit the Claim.

20. Members of a family residing at the same address can pool their Gem Grade Diamond Purchases together and file a single "household" Claim. Persons under the age of 18 are not permitted to file a Claim, but their purchases can be included as part of the household Claim. Settlement benefits payable in respect of a household Claim will be issued to the person filing the Claim on behalf of the household.

Assistance in Filing a Claim

21. Settlement Class Members can contact the Claims Administrator or Class Counsel, at no charge, with questions about how to complete a Claim.

22. Settlement Class Members may utilize third-party claims services, a lawyer of their own choosing, or similar services to file Claims. If a Settlement Class Member chooses to use a third-party claims service, a lawyer of their own choosing, or similar services, the Settlement Class Members will be responsible for any and all expenses incurred in doing so.

The Online Claim Portal

23. The Claims Administrator shall create an Online Claim Portal that Settlement Class Members can access in order to file a Claim and shall provide the necessary administration support to enable Settlement Class Members to do so.
24. The Online Claim Portal shall be accessible from the Settlement Website.
25. The Online Claim Portal shall contain fields that require the Settlement Class Member to provide all applicable information required as part of the Claim.
26. The Claims Administrator shall develop procedures for tracking and recording in an electronic format the following information, as it is entered into the Online Claim Portal or provided by Settlement Class Members who file hardcopy Claims in accordance with paragraph below:

29. If a Settlement Class Member does not have internet access or is otherwise unable to submit a Claim using the Online Claim Portal, the Settlement Class Member can register over the telephone with the Claims Administrator and the Claims Administrator shall send the Settlement Class Member a hardcopy claim form by mail. Subject to paragraph 32, the completed and executed hardcopy Claim (together with any required supporting proof of purchase) must be submitted to the Claims Administrator postmarked no later than the Claims Filing Deadline.

30. At its sole discretion, the Claims Administrator can elect to audit any Claim, require a Reseller to provide original documentation supporting the Claim, such as invoices, purchase orders or cancelled cheques, and reject a Claim, in whole or in part, where, in the Claims Administrator's view, the Settlement Class Member has submitted insufficient or false information or has otherwise engaged in fraudulent conduct.

Deficiencies

31. If, during claims processing, the Claims Administrator finds that deficiencies exist in a Claim or other required information, the Claims Administrator shall notify the Settlement Class Member, by email or regular mail, of the deficiencies. The Claims Administrator shall allow the Settlement Class Member thirty (30) days from the date of such notice to correct the deficiencies. If the deficiencies are not corrected within the thirty (30) day period, the Claims Administrator shall reject the Claim, or as applicable, limit the Claim to the Minimum Claim Amount. The Online Claim Portal shall be designed so as to minimize the possibility of deficient claims.

Adjustments to Claims Process and Extension of the Claims Filing Deadline

32. By agreement between the Claims Administrator and Class Counsel, the Claims Filing Deadline may be extended and the Claims Administrator may adjust aspects of the Claims process unrelated to the allocation of the Net Settlement Amount to address any deficiencies that may arise. Class Counsel and the Claims Administrator shall agree to extend the Claims Filing Deadline and/or adjust the Claims process if, in their opinions, doing so will not adversely affect the allocation method or fair and efficient administration of the Net Settlement Amount and it is in the best interests of the Settlement Class Members to do so.

Claims Administrator's Decision

33. In respect of each Settlement Class Member who has filed a Claim in accordance with this Distribution Protocol, the Claims Administrator shall:

34. The Claims Administrator shall send to the Settlement Class Member, by email or regular mail, a decision as to the approval or rejection of the Claim and the determination of the Gem Grade Diamond Purchases (the "Decision Notice"). Where

the Claims Administrator has rejected all or part of the Claim, the Claims Administrator shall include in the Decision Notice its grounds for rejecting all or part of the Claim.

35. The Claims Administrator's decision will be binding upon the Settlement Class Member, subject to the Settlement Class Member's right to appeal, as outlined in paragraphs 37 to 41.

Appeal of the Claims Administrator's Decision

36. Subject to paragraph 38, Settlement Class Members, other than Consumers who filed without proof of purchase, shall be granted thirty (30) days from the date of the Decision Notice to appeal the rejection (in whole or in part) of their Claims.
37. Settlement Class Members will not be permitted to submit any new proof of purchase or other documentation with their appeal.
38. The following grounds shall not be grounds for appeal:
- (a) the refusal of the Claims Administrator to accept a Claim postmarked or electronically submitted after the Claims Filing Deadline;
 - (b) the refusal of the Claims Administrator to accept a Claim where no proof of purchase was provided;
 - (c) the refusal of the Claims Administrator to accept a Claim where the Settlement Class Member has not cooperated with the Claims Administrator in respect of any audit conducted by the Claims Administrator in respect of that Settlement Class Member's Claim; or
 - (d) the refusal of the Claims Administrator to accept a Claim where the Settlement Class Member did not declare that the information submitted in the Claim is true and correct.
39. Appeals will be determined by the Court (in Ontario, British Columbia, or Quebec) that has jurisdiction with respect to the Settlement Class Member. For example, appeals filed by Settlement Class Members in British Columbia will be heard by the BC Court. The Court(s) may, in its sole discretion, appoint a referee to hear the appeals in its place.
40. The Courts may establish rules guiding the appeal process, including the process for making submissions in respect of the appeal and the costs of the appeal.
41. The decision on the appeal is final and binding and shall not be subject to any further appeal or review whatsoever.

THE CLAIMS DISTRIBUTION PROCESS
